

2008 Consent To Discharge Policy And Release

Name Of Child: _____

Wristband Number: _____

First name Last name

Round Lake Christian Assembly (RLCA) in order to facilitate, among other things, its goal of providing a reasonable degree protection to its campers while still focusing on its primary mission, has instituted a policy in regard to the discharge of campers as follows:

Upon registration, each camper will be given a uniquely numbered wristband with a perforated portion that shall be detached and given to a person registering the camper at RLCA. No person may remove a camper from RLCA without:

- a) Presenting that detached portion of the wristband referred to above that corresponds to the particular camper; or,
- b) Presentation of proof of their status as parent or legal guardian of the particular camper; or,
- c) Written authorization from a camper's parent or legal guardian; or,
- d) Obtaining permission of the camp director, who may authorize discharge in circumstances he believes to be reasonable.

Camp personnel may (but are not required to) refuse to discharge a camper to a party who would otherwise be authorized to remove a camper under (a) through (c) above if he or she believes it necessary to obtain further information prior to allowing a camper's discharge.

In the event a camper loses his or her wristband during camp, a new wristband will be issued (at the cost of the camper and or the person signing this document) and a reference made so as to correspond the new identifying wristband number to the old.

(Read and Sign At Registration)

I, the undersigned, state that I am a custodial parent or legal guardian of the above named child (or have been duly authorized by a custodial parent of said child) and that I am authorized to give this consent and release. I recognize the difficulty that RLCA faces in attempting to reasonably protect the interests of the children in its care and further acknowledge that the above referenced policy is reasonable under the circumstances and, for good valuable consideration the receipt and sufficiency of which are hereby acknowledged, I consent to its enforcement and agree to indemnify and hold RLCA harmless for any and all damages and injury that may result as a consequence thereof. I further acknowledge receipt of the perforated portion of the wristband identified by the number set forth above.
